

Instructions: Borland Desktop Interbase Database Customer Information Form

Due to Borland royalty reporting rules, this completed form must accompany EVERY Primavera sales order that specifies the Borland Desktop Interbase database software.

This form applies to:

- 1) Customers who will use Borland Desktop Interbase with their Primavera software instead of Oracle or Microsoft SQL Server databases
- 2) Customers adding seats to an existing installation of Primavera software running the Borland Desktop Interbase database originally provided by Primavera.
- 3) Customers using the checkout feature included in Primavera software.

See the Database FAQ for More Information:
